SPIRITUAL THEOLOGY: SELECT BIBLIOGRAPHY

Prepared by Marcellino D'Ambrosio, Ph.D.

This annotated bibliography was offered to Masters level students in a spiritual theology course taught in the University of Dallas's Institute for Religious and Pastoral Studies from 1994-2001. It is offered as a list of resources that may be of interest and assistance. The inclusion of a book on this list does not necessarily imply that I know it or endorse it. Call numbers listed are those of the University of Dallas Library while the abbreviation IRPSL means that you can borrow the book from IRPS office library as it existed in 2001. If your library does not have a book you are interested in, try to obtain it through inter-library loan. For out-of-print titles (abbreviated opt), try Loom=s Theological Booksellers (612-430-1092), Preserving Christian Publications (315-942-6338), or www.bibliofind.com on the web. Many of the patristic writings, Church documents, and spiritual classics can be viewed or downloaded free from a variety of world-wide-web sites.
